## IN A NUT SHELL

Rajkumari Neogy, MA has spent 25 years at the intersection of technology and culture.

- She is the creator of the epigenetic coaching framework and the author of *The WIT FACTOR: Shifting the Workplace by Becoming Your Optimal Self*.
- She sits quite comfortably at the intersections of Interpersonal Neurobiology, Culture, Technology and Empathic Language for Business.

A rare blend of techno-babble and touchy-feely invites her keen insights to transform individuals and organizations organically.
